"JENNIFER'S JOURNEY"

"Keep going. You'll get there. Every moment is your opportunity to add a little more value to your future."

My journey that began as your President in 2005 continues for 2016-2017. I look forward to working this year with NALS of Jackson County Board, Vice President, Cierra Sowle, Recording Secretary Robyn Winneroski, Corresponding Secretary Kelsee Bearinger, Treasurer Erin Carr PP PLS, and Director Marion R. Stone, PP PLS, and, of course, the rest of our members as we continue to add a little more value to our future.

NALS of Michigan Annual Meeting is this coming weekend in Livonia, Michigan. To those who are attending I'm sure you'll have a wonderful time. We look forward to having your reports published so that you may share with us what you've learned from the educational sessions you'll be attending.

Our next Board meeting will be April 12, 2016 at noon at the courthouse in the conference room outside my office on the 2nd floor. The General Assembly meeting will be on April 19th at noon at the courthouse on the 4th floor, Judge Rappleye's jury room. I will have a committee sign-up sheet to pass around. Please give some thought to signing up and chairing or co-chairing one of those committees.

President

Dear Legal Professional:

We are pleased to offer you and your firm a complimentary subscription to *Nation's Courts Online* (to run through Dec 31, 2016).

Nation's Courts Online is a service like no other – relied on by attorneys and paralegals for its comprehensive federal, state and county court listings and website links, and for its use in the training of support personnel on the courts and how they operate (including steps in the litigation process).

To activate your complimentary subscription, please send me an email (rwant@NationsCourts.com) with “complimentary subscription” in the subject line and include your preferred user name and password (which you can later change) in the body of the email. I will reply promptly that your account has been activated (subject line of my reply will read “New User Details”). This offer applies to new subscribers only.

For the past three decades we have published the print directory, *Nation's Courts Directory*, which our users have relied on for quick-and-easy access to the nation's courts. We have decided to discontinue the print directory in favor of our much more comprehensive online version, *Nation's Courts Online*, which most of our subscribers prefer.

The online version allows us to offer the popular features of the print version plus much more, including frequent updates, biographical information, federal nominations and confirmations as they occur and an expanded version of our “Guide to the Courts” section, which is used in the training of support personnel on the courts and how they operate. Plus the full complaints in selected cases filed around the country.

In requesting a complementary subscription to *Nation's Courts Online*, there is no obligation whatsoever. At the end of the subscription period (Dec 31, 2016), you will be sent a renewal notice at the low annual rate of \$195. If you do not respond to the notice, your subscription will be automatically cancelled.
